Q.N.1. Read the following poem and write the best answer from the given alternatives. (5)

I stand on my feet
My belly gets,
The food that I eat
My eyes see the world,
My hands grab and hold.
My lungs breathe in air
That you cannot see,
But Can feel fresh and clear.
My knees bend and jump,
My mouth likes to gab and hum.
My heart pumps my blood
That travel every part
And everywhere like a god
My brain makes things run
So that I can many things learn.
All these bits and pieces
Even some you can't see
All linked up together
Are what make up me ?
